

DERMALAUGE AESTHETIC INSTITUTE

Expand your skills & Achieve your goals with Lifetime Support

Welcome to

DERMALAUGE AESTHETIC INSTITUTE

Aesthetic industry is meeting an unmatched boom in India. With an ever-growing demand of Aesthetic procedures in the health & wellness sector, there is a valid need for Aesthetically trained practitioner now a days. To narrow the gap between the ever-growing demand and aesthetically trained practitioner/therapist (D.A.I) **DERMALAUGE AESTHETIC INSTITUTE** is been established.

DERMALAUGE AESTHETIC INSTITUTE is an educational training institute for Wellness & Aesthetic industry where various courses are offered from diploma in clinical Cosmetology, basic and advanced Cosmetology, Trichology, Semi permanent make-up training and many more. **DERMALAUGE AESTHETIC INSTITUTE** have vision of upgrading students with advanced Aesthetic knowledge and boosting their self-confidence to run their practice successfully in this competitive world. We have exclusively customised courses for doctors and non-doctors. These courses are helping thousands of students to start their own centre/clinic and enhance their earnings. These courses are designed in such a way that after completing course student can start his/her own practice from very first day onwards. We provide flexibility in timings according to need of individuals, which also helps student to upgrade their knowledge in parallel to their current job or own practice.

By attending the courses at **DERMALAUGE AESTHETIC INSTITUTE** you will gift yourself the necessary tips to grow your cliental base and provide the best service possible. Some of the benefits of obtaining your training and certification from our aesthetic courses includes additional revenue stream, increased job satisfaction and increased job flexibility.
